

# MOHAMMED SHAHEEM PS

Pattambi, Palakkad, Kerala • +91 8078320843 • mshy8147@gmail.com

## SUMMARY

A Computer Science Engineering student passionate about web development, software design, and building impactful tech solutions. Actively exploring real-world applications through internships, self-projects, and continuous learning.

## WORK EXPERIENCE

### Web Development Intern , OutriX

Jul 2025 - Present

- Developing responsive and interactive web pages using HTML, CSS, and JavaScript
- Assisting in UI/UX improvements to enhance user experience across platforms
- Collaborating with the development team to implement frontend features and bug fixes
- Working with version control systems like Git for code management
- Participating in regular code reviews and team discussions to ensure quality standards
- Learning and applying modern web development practices and frameworks

### Python Virtual Intern, QNAYDS

Jun 2025

- Gained hands-on experience in Python programming through a 5-day virtual internship and workshop
- Practiced core Python concepts including data types, loops, functions, conditionals, and file handling
- Completed coding tasks and mini-projects focused on real-world problem-solving
- Strengthened logical thinking and debugging skills using Python

### AI & Robotics Intern, Accelmove Dynamics (STEM Robotics International) – Technopark,

Trivandrum

Jun 2024

- Contributed to projects related to AI and robotics, gaining hands-on exposure to real-world applications
- Demonstrated professionalism, adaptability, and effective teamwork in a dynamic learning environment
- Collaborated on initiatives that required problem-solving and technical decision-making in emerging technologies

## EDUCATION

### Bachelor of Technology (B.Tech) in Computer Science Engineering

Sep 2023 - Present

MES College of Engineering, Kuttippuram

- APJ Abdul Kalam Technological University.

### Higher Secondary Education (Computer Science)

Jun 2021 - Mar 2023

Government Higher Secondary School, Pattambi

- Completed Higher Secondary Education with a focus on Computer Science, including practical programming and logic fundamentals.

## SKILLS

- **Technical Skills:** HTML, CSS, JavaScript, Python, C
- **Design Tools:** Canva

## LANGUAGES

- **English:** Advanced
- **Malayalam:** Native
